MISCELLANEOUS DEPARTMENTS.

OFFICE OF THE DIRECTOR OF INDUSTRIES AND COMMERCE IN MYSORE, BANGALORE.

Notice dated 16th September 1940.

Applications are invited from students desirous of undergoing training in the Industrial School already opened at Chikballapur.

2. Instruction will be imparted in the subjects of Weaving and Carpentry.

3. The course will extend over a period of 5 years of which the first 3 years will comprise the period of the training proper during which merit scholarships ranging from Rs. 3 to Rs. 6 per month will be awarded and the remaining 2 years will constitute the apprentice period when wages are paid on piece work basis.

4. Applicants should possess literary qualifications not lower than the completion of the Middle School course. They should be between the ages of 12 and 18 and be physically fit to undergo training. The parents or guardians of students selected should enter into an agreement with Government to continue their boys in the School (for the prescribed period of the course).

5. Sons of Artisans will be preferred.

6. Applications should be forwarded to the Superintendent, Industrial School, Chikballapur, supported by the necessary record of literary qualifications not later than the 30*th September* 1940.

7. Any further particulars may be obtained from the Superintendent of the School.

A. V. RAGHAVACHAR,
For *Director.*

OFFICE OF THE REGISTRAR OF CO-OPERATIVE SOCIETIES IN MYSORE, BANGALORE.

Notification No. 3036—*C. S., dated 17th September* 1940.

It is hereby notified for general information that under Section 39 (1) of the Mysore Co-operative Societies Act, the registration of the Doddamaralawadi Co-operative Society in the Kankanhalli Taluk is hereby cancelled with effect from this date.

Under Section 42 (1) of the aforesaid Mysore Co-operative Societies Act, Mr. K. Shamanna, B.A., LL.B., Official Liquidator of societies indebted to the Apex Bank is appointed Liquidator of the said society to wind up its affairs.

Notification No. 3027—*C.S., dated* 17*th September* 1940.

It is hereby notified for general information that under Section 39, clause (1) of the Mysore Co-operative Societies Act, VII, 1918. the registration of the Hullegowdanahalli Co-operative Society in the Nelamangala Taluk (Registered No. 705 C. S.) has been cancelled with effect from 17th September 1940.

Under Section 42 (1) of the said Act, Mr. S. Rama Rao, B.A., Official Liquidator of societies indebted to the Central Bank, Bangalore, is appointed Liquidator of the said Co-operative Society for winding up its affairs.

M. ABDUL HUKH,
Registrar.

OFFICE OF THE CHIEF INSPECTOR OF MINES AND EXPLOSIVES IN MYSORE.

Notification No. 430, *dated Oorgaum,* 17*th September* 1940.

Instances have come to the notice of this Department where licensees manufacturing explosives, instead of doing so in the places indicated on their licenses do clandestinely manufacture them in their own dwelling houses or sale premises within closed doors during night time. As such places are generally situated on public roads in congested localities and since such a practice is liable to endanger public safety, persons in the know are requested to guard themselves against eventualities by promptly reporting the names of such licensees to the local Police authorities. This notice is published for general information in view of the approaching Deepavali Festival when the licensees are likely to transgress the conditions of their licenses owing to the demand for firework articles during the season.

Government in their Notification No. D. 2814—Geol. 66-28-25, dated 9th September 1930, have prohibited, within the Mysore State, the manufacture, possession and importation of any explosive consisting of or containing sulphur or sulphuret in admixture with chlorate of potassium or any other chlorate.

Many accidents, caused during the illicit manufacture and handling of a variety of fireworks commonly known as "Pattas" or "Belluli Pattas"—throwdowns or small bombs—consisting of a mixture of potassium chlorate (ಪೊಟಾಸ್ ಉಪ್ಪು) and Arsenic or Antimony Sulphide (ಮಣಿಲೆ ಹರಿದಳ) or Sulphur (ಗಂಧಕ) have come to the notice of this department resulting in serious and sometimes fatal injuries to the persons manufacturing or handling the mixture, besides doing damage to property.

The mixture constitutes a highly dangerous explosive which is sensitive to friction, force (blows) and even liable to ignite spontaneously.

As this firework composition is mostly used during Deepavali and Shaban festivals, timely warning is hereby given to all persons concerned not to manufacture, possess or sell this dangerous explosive.

Any person manufacturing, possessing or importing such a mixture will be punished according to Law.

K. DURAISWAMIER,
Chief Inspector of Mines and Explosives in Mysore.
